IMT Business School is an international business school that is devoted to preparing industry ready, socially responsible and aware professionals for businesses in the Middle East and around the world. The Institute prides itself on having a strong academic focus, industry collaboration, and an entrepreneurial mindset. It offers accredited undergraduate and postgraduate programs to students from a multitude of nationalities and educational backgrounds. Established in 2006, the Institute was among the first International Business Schools to have set up a full-fledged campus in Dubai.

As a business school, IMT recognizes the urgent need for businesses to hire professionals who can adapt to the ever-changing realities of the political, economic, and business environment, making sense of it quickly and adjusting to the changing context for creating value to both the organization and the society it is embedded in. Each program curriculum is carefully designed in order to build an entrepreneurial spirit and a consciousness of citizenship that would propel students to take leadership roles now or in their future careers.

The quality of education provided by IMT Business School is certified by the Ministry of Education, UAE (MOE) and licensed by KHDA, and all its programs are accredited by the CAA.
